After many intricate experiments, scientists have discovered methods for obtaining all the natural digestants. These have been combined in the proportion found in the human body and united with substances that build up the digestive organs, making a compound called Kodol Dyspepsia Cure. It digests what you eat and allows all dyspeptics to eat plenty of nourishing food while the stomach troubles are radically cured by the medicinal agents it contains. It is pleasant to take and will give quick relief. Anti-Monopoly Drugstore, Ocala, Fla.

THE CROWD BIG AND JOLLY

The merchants were agreeably surprised today at the size of the crowd that came in to celebrate. The train from the south on the Plant System brought 800 people and the two trains from the north, Palatka and Gainesville, and the Homosassa train, brought the balance of 2000 and in addition to these, at least 1000 to 1500 came in from the country. The program was carried out approximately as arranged and the crowd seemed well pleased with the day.

CONCERT TONIGHT

The old favorite, the Metropolitan Band, will give a free open air concert in the band stand tonight at 8:30 o'clock. The boys have some fine pieces and unusually good music will be heard. Every one is invited to come out and drink in the sweet strains of music, and the boys will be agreeable if the ladies will bring some cooling lemonade for them to drink.

GLORIOUS NEWS

Comes from Dr. D. B. Cargile, of Washita, I. T. He writes: "Four bottles of Electric Bitters has cured Mrs. Brewer of scrofula, which had caused her great suffering for years. Terrible sores would break out on her head and face, and the best doctors could give no help; but her cure is complete and her health is excellent." This shows what thousands have proved,—that Electric Bitters is the best blood purifier known. It's the supreme remedy for eczema, tetter, salt rheum, ulcers, boils and running sores. It stimulates liver, kidneys and bowels, expels poisons, helps digestion, builds up the strength. Only 50 cents. Sold by Garrett & Gerig, Ocala, Fla., and all other druggists.

DOING THINGS

"I think through the nib of my pen," wrote the genial Dr. P. S. Henson.

"I will send my prayers in my wagon," answered a farmer who was asked to pray for a poor widow.

"It is time my sympathies should ooze out through my finger tips," thought a young girl who had been feeling sorry for an overworked mother.

"I must spell my pity with my purse," decided a man whose heart had been touched at the need of the heathen.

"My sociability needs to be mounted on shoe leather," concluded a well-meaning but homesick church member, as she thought of her duties toward some new members.

"I will try to coax my heart into the palm of my hand," the usher whispered to himself, as he was about to reach out for a perfunctory handshake with a stranger.

"O love, come sit on my lips while I speak to that careless one," invoked one whose good intentions had a habit of hiding in the heart.

"I must multiply my Sunday goodness by seven," declared another, who had been awakened to the need of Sundayizing the week, in order to prevent secularizing the Sabbath.—Herald and Presbyter.
